HOME MAKER SERVICE

OUR SERVICES:

Trinity Care Providers, Inc. provides Nursing, Medical and Non-Medical services that are intended to assist clients with activities of daily living and increase safety in home environment.

The services include, but not limited to:

A. Traumatic Brain Injury (TBI)

Care Services: We believe that all persons with mental illnesses can recover and participate fully in a life in the community.

With our caring team, we provide outpatient support services depending on the individual client's needs, which include;

- i. Traditional One-On-One management
- ii. Medication Monitoring
- iii. Improving social relationships

B. Vocational Rehab Services: We conduct periodic job fairs and engage with Vocational Rehab teams in placing individuals in the work force.

C. Activities of Daily Living and Instrumental Activities of Daily Living:

o Personal care:

- Facial, grooming and oral hygiene.
- Self-care assistance (Bathroom & Dressing)
- Transfers: Bed mobility, wheel chair transfers to ensure safety.
- Medication reminders and ensure correct usage.
- Routine and Special Health.

o Meal Preparation:

- Meal preparation for client.
- Proper positioning and feeding assist as needed.

o Home Making:

- Light house- keeping services
- Grocery shopping
- Personal laundry

o Companionship:

- Assistance in getting to and from appointments
- Joyful companionship in home environment
- Maintenance of house records
- Assist with contacting people (telephoning)

WHO WE ARE

Trinity Care Providers Inc is a privately owned and operated company that provides clients throughout in **Cook and Dupage Counties** with quality home care.

Our agency came into existence when we realized that home care was missing something special. We know, understand, and care about your loved ones as much as we do about our own. We expect our staff to treat you and your family members with the utmost respect and to provide exceptional care

OUR MISSION

To promote the health and well being of patients, clients and families by providing high quality, cost effective homecare in their home and in the community.

Live in and Daily (Come and go)

We provide services 1- 7 days/week and hourly shifts ranging from 2-12hrs daily
We are flexible with our clients needs.
